

# Coaching as a Leader for Graduates of NWL

You have graduated from New World Leadership® and are looking to compliment your learning. This program is for you!

This 4-half-day program equips you with more than just coaching for internal leaders but provides a profound coaching assessment that helps you understand that “who you are is how you coach”. Is that what your team members need? Let’s explore, challenge and learn together.

Leadership and coaching together can be challenging when we consider the formal role in hierarchy. How do we remove this for true authentic dialogue that matters.

This is about meaningful human connection that makes a difference.

## Program Structure and Highlights

This virtual learning program includes:

- 4 half-day modules of learning with 1:1 coaching and experiential exercises
- Psychometric personality assessment with 1:1 debrief- Unique OwlHub Coaching Styles inventory
- Psychometric personality assessment for 2 team members. How do I like to be coached?
- Full access to our LMS

Explore factors that predict success & how they align with the principles of Coaching

Review of the Accountability Model and its crucial role in coaching conversations

Learn to create an environment that promotes choice and self-responsibility

Understand your personal coaching style and how you coach may not always be what your team members need. Stretch your coaching skill-set

## WHO BENEFITS?

Our approach ensures an unparalleled level of engagement and personalized interaction. This intimate setting allows for confidential discussions, the sharing of nuanced challenges, and the development of strong, lasting bonds among a network of influential peers.

We create a space where leaders can truly be vulnerable, explore new paradigms, and emerge with a refreshed vision and actionable strategies for future impact.

## A framework for Deep Transformation
