

New World Leadership®

**CHANGE
INNOVATORS**

Life Changing Leadership

The New World Leadership® Series takes the most progressive approach to leadership using current research in neuroplasticity, heart/brain connection, intuition, coaching and positive psychology along with a solid framework in Self-Awareness and Emotional Intelligence.

A primary focus is on Creating a Compassionate Culture of Accountability. Our unique Accountability Model is used throughout the program. In this 12-modular program, participants get a real opportunity to reflect, explore, practice and evolve in their people leadership skills. Great Leadership meets at the crossroads of Science and Personal Evolution.

About Change Innovators

For over two decades, Change Innovators has been at the forefront of catalysing personal and professional transformation. Our pioneering programs are grounded in neuroscience, advanced psychometric data, and performance psychology and are proven to empower individuals, teams and organisations with life-changing experiences.

New World Leadership®

Our approach doesn't just inform; it transforms. We excel by bridging the gap between cognitive understanding and practical, on-the-job application, a metric where we consistently outperform others.
